Presents

Community Partners Program- 2011

Spring 2011

Dear Friends,

The Mill at Anselma is delighted to announce our *Community Partners Program for 2011*. The *Community Partners Program* is a business membership program that brings advertising opportunities to local businesses and organizations, while supporting the preservation and programming at **The Mill at Anselma, a National Historic Landmark**.

The Mill at Anselma is a nonprofit organization whose mission is to preserve and interpret this national treasure for the present and future enjoyment of all who come to visit. The Mill stands as the most intact, authentic example of a custom water-powered grain mill in the United States and has been so honored by the U.S. Department of Interior as a National Historic Landmark. The Mill illustrates the impact of changing technology on the milling industry over the course of three centuries and celebrates Chester County's role as the breadbasket of colonial America.

As you can see on the attached Sponsorship Opportunities, your company or business will receive a variety of benefits based upon the level of your membership. Benefits include advertising at The Mill's annual Fall Auction, tickets to our events that you may give to your clients, and year-round recognition as a Community Partner in our newsletters, Web site and at the historic grist mill.

The Mill at Anselma welcomed more than 8,000 visitors to this naturally beautiful and historic treasure in 2010. And we expect more visitors in 2011 as more people learn about our programs, events, the Anselma Farmers' and Artisans' Market and other activities at the historic grist mill. **We invite you to take advantage of this opportunity to make our visitors your customers!** At the same time, you will become a valued partner in our efforts to preserve this National Historic Landmark and create meaningful experiences for our visitors.

Thank you for considering my request for your business to become a Community Partner. I will contact you in the next week to follow-up with you and to answer any questions you may have. In the meantime, if you have any questions, please contact me at 610-827-1906 or at growland@anselmamill.org

With warm regards,

Gwyn W. Rowland
Executive Director
